

Sunflower Dish

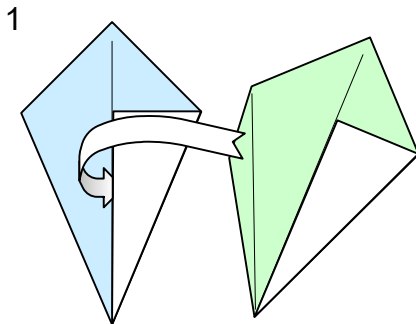

You will need 14 squares to make this model

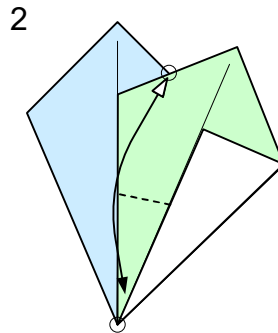

Make 13 more

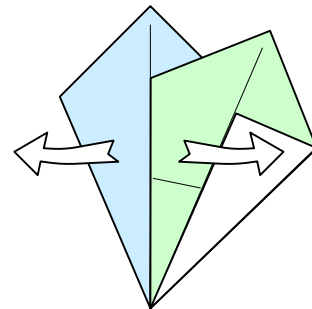

Assembly Stage 1

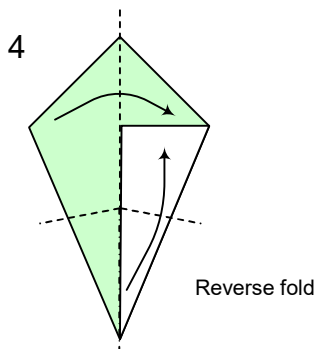

Hook 2 units together

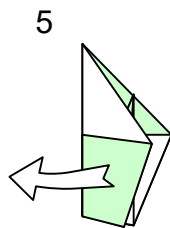

Make a sharp crease

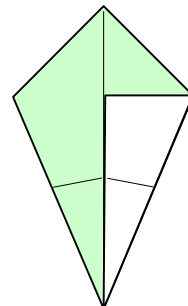

Unhook

Reverse fold

Undo reverse fold

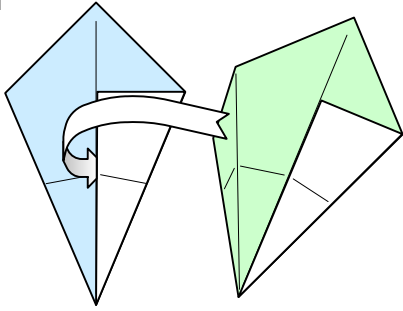

Repeat on all units

Sunflower Dish

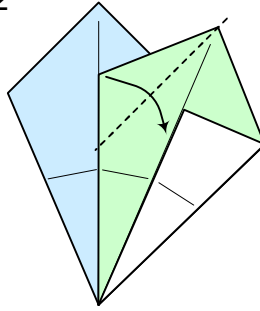

Assembly Stage 2

1

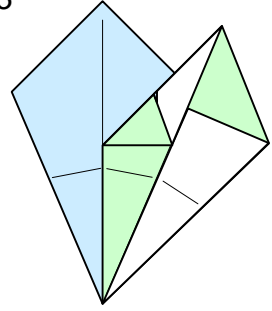

Hook 2 units together

2

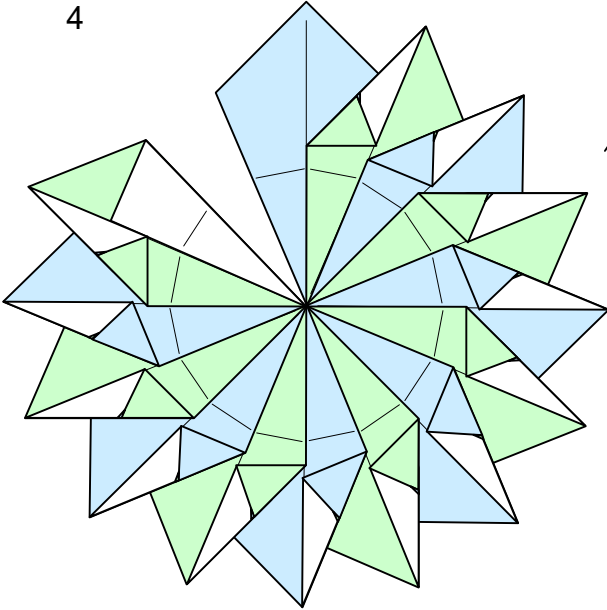

3

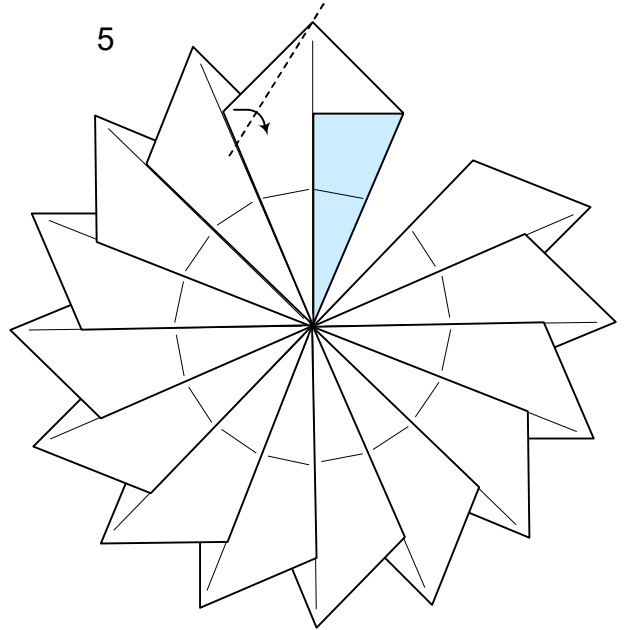

Hook and fold the remaining units

4

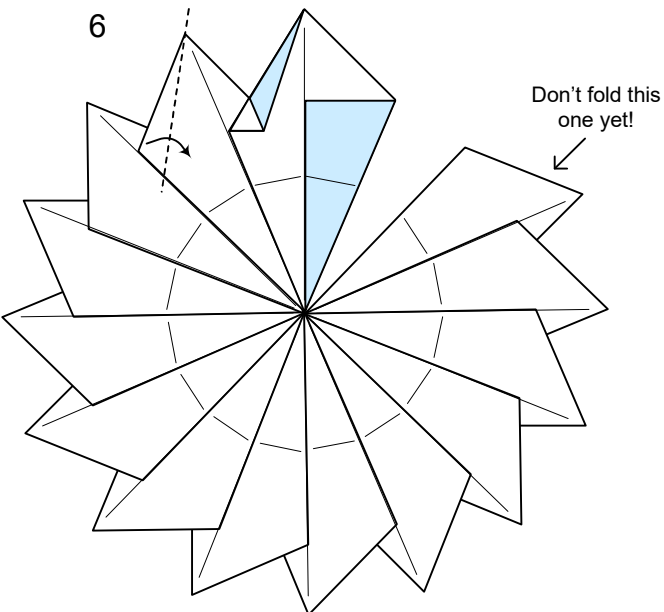

5

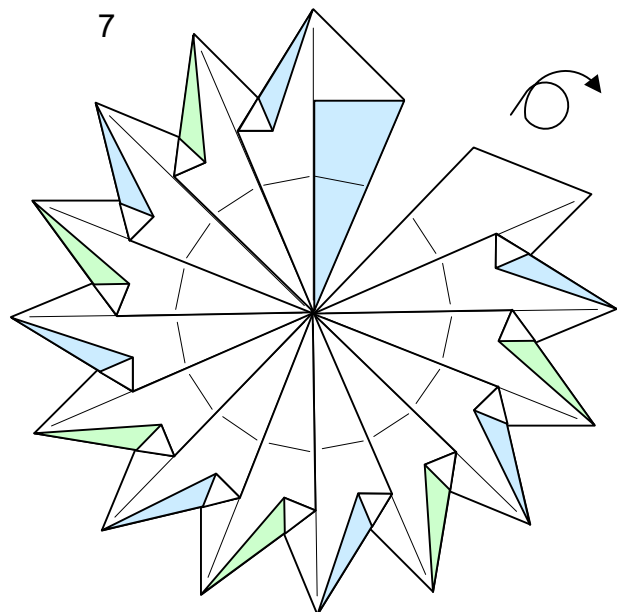

Valley fold as far as the paper will allow

6

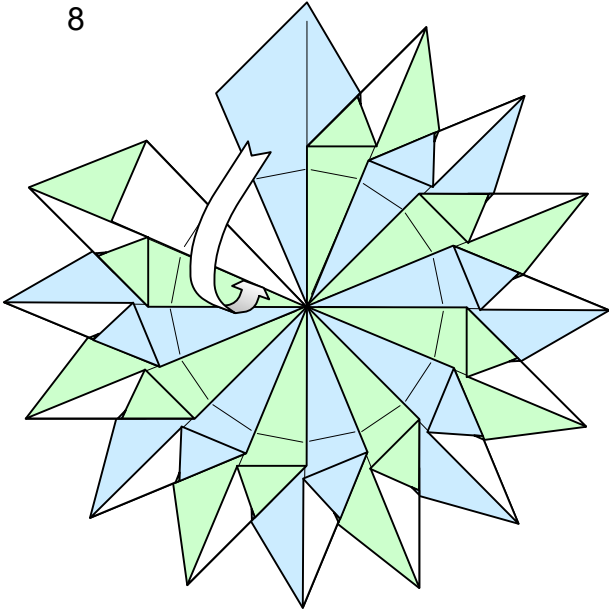

Repeat on 12 more points

7

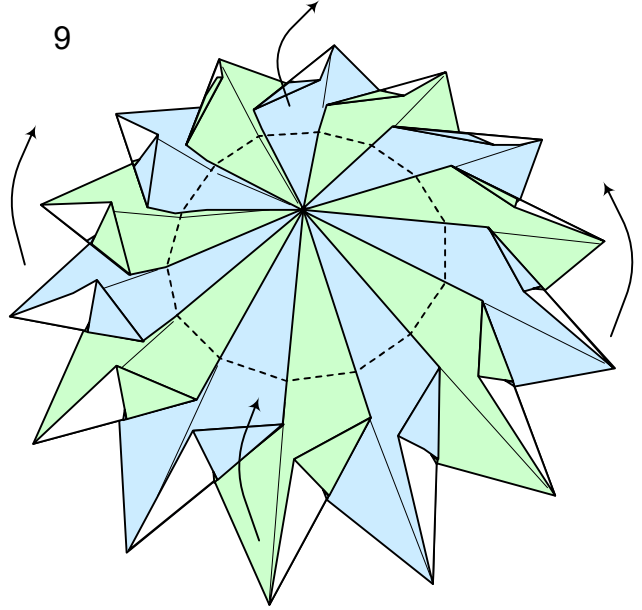

Sunflower Dish

8

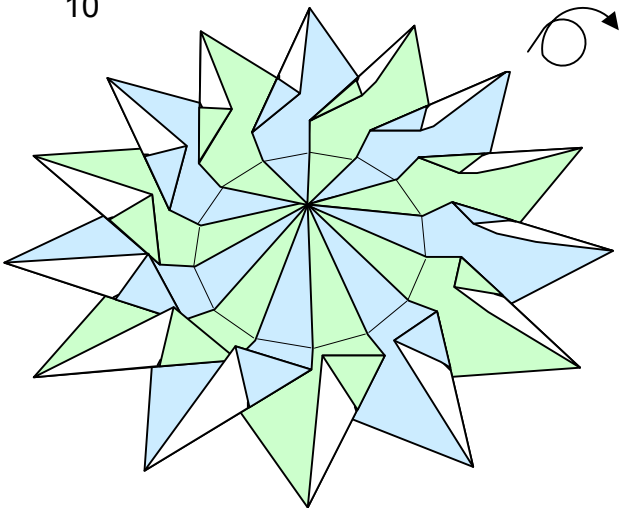

Connect the last 2 units and make the same valley folds front and back - make sure the "cone" is pointing towards you

9

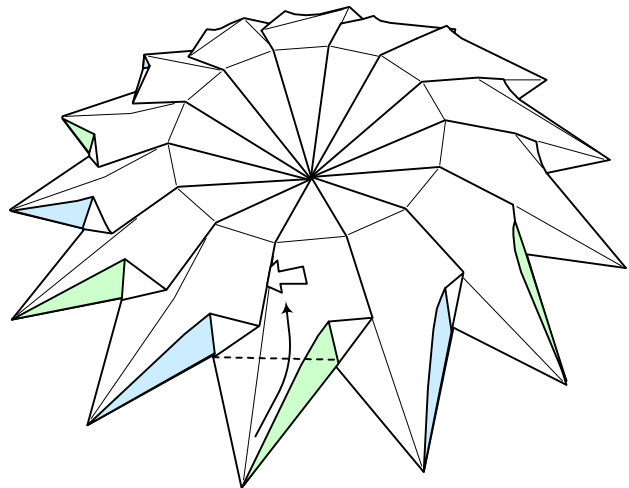

Use the existing creases to raise the edge of the bowl

10

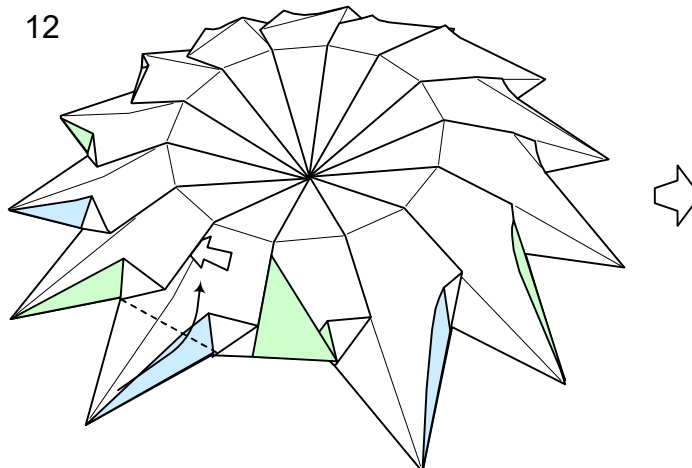

11

Fold point up and tuck under

12

Do the same for the remaining points

Sunflower Dish
